INTEGRATED DVD ADDS IMPACT

The *Everything DiSC® Classic* DVD is the video companion to the *Everything DiSC Classic Facilitation System*. The Insight Modules include facilitation of the major portions of the DVD, or you can easily incorporate it into your existing DiSC® training. The DVD is menu-based and offers multiple viewing options for each of its four sections:

- **Pure Styles.** You'll meet four characters who represent the four DiSC styles. The characters provide an overview about their behavior and describe their goals, fears, preferred environment, and response to conflict.
- **The Meeting.** You'll see a team in conflict, one-on-one discussions between a manager and each team member, and a successful resolution.
- **Effective Communication.** You'll see examples of how an HR manager fails to communicate effectively, then improves by adapting his communication style to the DiSC styles of four individuals.
- **Natural Styles.** You'll get informal, unscripted responses to eight questions from people of all four DiSC styles, a conversation between two opposite styles, and a people-reading activity.
